

## THE ALBION AT NEWCASTLE.

The Albion made the journey to Newcastle yesterday. They were still without the services of their injured players, although Jones, G. Williams, and Dunn are all now convalescent, and will be available for the Cup-ties. The Albion have cut a sorry figure on the Newcastle ground ever since the Northerners were admitted to the First Division of the League, and although they have been training hard all the week their prospects to-day are none too rosy. The teams will be:—

Albion: Reader, goal; Adams and Chadburn, backs; Banks, Perry, and Hadley, half-backs; Roberts, Simmons, Stevenson, Wheldon, and Garfield, forwards. Buck went as a reserve man.

Newcastle United: Kingsley, goal; Burgess and D. Gardner, backs; Ghee (or Veitch), Aitken, and Carr, half-backs; Fraser, A. Gardner, Peddie, McFarlane, Niblo, and Laidlaw, forwards.
